

TIME HAS RUN OUT

The Virginia Graeme Baker Act is a pool and safety act that mandates Federal requirements for suction entrapment avoidance in all public and semipublic pools and spas in the United States. The Act calls for retrofit or recertification of all main drains in pools and spas by December 19, 2008.

Here at Swain Pools and Spas, we have the products and methods to make your pool compliant.

Additional Services we offer are: Pool and Spa Weekly Service; All repairs; Pumps, Filters, & Auto Cleaners; Advanced Leak Detection; Resurface Your Concrete Pool with Tile, Silicone, or Marcite; Landscaping, Hardscaping, Retaining walls, Concrete Walls, Water Flow Control Structures
